«NO WIN NO FEE AGREEMENT»

If you have been involved in a road traffic accident, our Lawyers could help you get the compensation, rehabilitation and support you deserve. Each year we help hundred of people to claim following a road accident, and we could help you too.

1. How To Claim For A Road Traffic Accident

It's important to contact our road traffic accident Lawyers as soon as possible. Insurance companies often try and settle claims directly, which can mean you get less compensation than you're entitled to. Call us and we'll give you a [free initial consultation](#) where we let you know if you're likely to have a successful claim, and how much compensation you might get.

2. No Win No Fee Road Traffic Accident Claims

Most of the road traffic accident claims our lawyers handle are on a [no win no fee](#) basis. That means you don't pay anything upfront, and there's nothing to pay if your claim is unsuccessful*.

3. How Long Do I Have To Claim After A Road Accident?

In most cases, you must start your claim within three years of the accident and we advise you to contact us as soon as possible.

There are some exceptions to this three year time limit, especially in cases involving children or people without the mental capacity to make a claim themselves.

4. How Long Do Road Traffic Accident Claims Take?

How long your road traffic accident claim takes depends on a range of factors, including the severity of your injuries and the complexity of the case. Some simple cases may settle in a few months, whereas more complex cases will take longer.

5. Why Choose Us?

We are a leading Cypriot law firm of road traffic accident Lawyers. We successfully settle many cases each year, so no matter what happened to you, you are rest assured to know we have the experience and knowledge to help you claim

6. Contact Us
